About The Role

Are you a dedicated Chartered Physiotherapist ready to make a positive impact on clients' well-being? Look no further. We are a leading health and wellness hub, looking to recruit a motivated individual to join our dynamic team. This is a truly unique opportunity to pursue what could be the leadership and ownership of your very own clinic in your future.

We are seeking a motivated and enthusiastic Chartered Physiotherapist to join our dynamic team where you will travel between our three clinics in Chipping Norton, Cheltenham and Didcot on the Gloucestershire and Oxfordshire borders. You will be led by the owner for 'on the job training' to learn the ropes of what it takes to become the clinic lead. The ideal candidate will be driven, self-motivated, and eager to contribute to the growth of the clinic's client base. You could see this as a form of apprenticeship, whereby we are investing in your potential, to train you to become a clinic lead, and in time, owner of the business. It is a little way ahead, but if this is your long-term dream, then this could be a perfect match for your next career move onwards and most certainly upwards.

As a Chartered Physiotherapist, you will play a key role in providing high-quality care to their clients while also gaining valuable experience in building and expanding a successful therapy business.

You will be working alongside fellow practitioners, treating a steady flow of patients with whom you can build rapport and deliver exceptional treatments with confidence. As an employee of this unique clinic, you will be encouraged to develop your knowledge and skillset with regular coaching and feedback on performance as part of your continual professional development.

Key Responsibilities:

- Perform detailed assessments to develop tailored treatment plans.
- Deliver manual therapy and evidence-based interventions.
- Collaborate within the multidisciplinary team for holistic client care.
- Cultivate strong client relationships and effective communication.
- Participate in team meetings, professional development, and innovation.
- Stay up to date with physiotherapy and wellness advancements.
- Enhance business skills for successful clinic growth.

About You

- Bachelor's or master's degree in Physiotherapy from an accredited university.
- Chartered physiotherapist status and relevant professional certifications (CSP, HCPC).

- Proven experience in providing manual therapy and evidence-based physiotherapy interventions.
- Applications from newly graduated physios up to experienced seniors are all welcome to apply, given the enthusiasm and drive is there.
- Excellent interpersonal and communication skills to establish rapport with clients and collaborate effectively with the team.
- Self-motivated, driven, and enthusiastic about contributing to the growth of the clinic.
- Open-minded and eager to learn, adapt, and refine both therapy and business skills.
- Ability to manage a busy caseload while maintaining high treatment standards.
- Demonstrated commitment to continuous professional development and staying current with industry advancements.
- Strong organizational and time-management abilities.
- An empathetic and client-centred approach to care.
- UK driving license and have your own vehicle is a MUST for this role.
- Have the right to work in the UK – this role does NOT come with sponsorship.
